Old Saybrook, CT Brings Juice Back!

Last August many fans were disappointed that Juice's concert in Old Saybrook Connecticut was cancelled due to unforeseen circumstances. I am happy to report it has been reschedule for April 30, 2015!

Juice will be performing at the Katharine Hepburn Cultural Arts Center. If you would like tickets, they are on sale now at this website address; <http://www.katharinehepburntheater.org/> and the address of the venue is 300 Main Street

Old Saybrook, CT 06475.

Juice's Trio show which consists of herself, Danny Duggan and Jay Cawley will entertain the crowd at this beautiful facility.

The Katharine Hepburn Cultural Arts Center is a non-profit performing arts organization located in an historic theatre/town hall on Main Street in Old Saybrook. Originally opened in 1911 and listed on the National Register of Historic Places, the Center has been renovated with public funds from the Town of Old Saybrook and donations raised by the Trustees of the Center. It includes a 250-seat theatre and a small museum honoring Katharine Hepburn, Old Saybrook's most celebrated resident. As befits an organization born of such a public/private partnership, programming is eclectic, offering something for all ages and income levels on the Connecticut shore and in the lower river valley. (Description from the official website.)

HAPPY BIRTHDAY JUICE!!

"What can one say to a lady who has been more than a musician and more than an entertainer but also a friend? One day a year those that are part of your life get to celebrate it with you and reflect on years gone by and those yet to come.

There aren't any phrases and or deep felt things that haven't been communicated between you and your fans. The one thing that has remained consistent is their devotion to you and yours in return.

A birthday is not a measurement of age but a measure of accomplishment. You have accomplished so much with more coming as you continue to work your craft.

This is your birthday Juice. Own it, celebrate it and embrace it. Happy Birthday my friend!

All blessings for the coming year."

Paul

"A Birthday Poem"

A simple wish came from my heart;
 I've watched you grow up from the start.
 Another year becomes your past;
 Enjoy this day and have a blast.

Make a wish that you can take;
 Blow out the candles on the cake.
 With these words, I want to say,
 "I'm wishing you a Happy Birthday!"

Poem written by JNFC Member Geremar Donato
