### THE GIFT of CHRISTMAS

This holiday season is more exciting than usual to Juice’s fans. Why? Juice has released her first Christmas CD! She sounds better than ever on this project! Perhaps what makes this CD so enjoyable is the variation of music. There are classics and original material written by Juice herself along with Otha Young and Andre Mayeaux who plays keyboard and synthesizer in Juice’s band. You may hear the songs at [cdbaby.com](http://cdbaby.com) and purchase the CD at the site. You may also listen to selected tracks at Juice’s MYSFACE page and purchase the tracks. #### PROFILE of ORIGINAL SONGS

Otha Young and Juice co-wrote a fun song on this CD. The song is entitled “Better Get Ready!” This is a song talks about the excitement of the holiday season.

The song “For Believers” many of you may remember from 1983. This was a track on the “Dirty Looks” album. Otha has re-worked some of the lyrics and it’s catered now towards Christmas and is now longer in duration than the original version from 1983.

Juice, Otha and Andre Mayeaux have written a song that is different from any of the songs on the CD. The title is “Shining Star” and it has a rock and roll flavor that talks about the birth of Christ and the three wise men finding the manger.

The next song that Otha Young has written is entitled “Christmas Wish” has to be perhaps one of the best songs I personally have heard in a long time. The vocals by Juice and the harmony with Otha singing back up is just beautiful.

You may purchase this CD and or songs by surfing over to [CDBaby.com](http://CDBaby.com) or [JuiceNewtonFanClub.COM](http://JuiceNewtonFanClub.COM), we have a link there and a special promotional video of the CD!!

## EXCITING JUICE VIDEOS TO YOU!!

Hey everyone, periodically you will be receiving via email, videos of Juice telling you about exciting events or promotions only having to do with Juice. We are all very excited about this new endeavor.

All JNM members, I would like to update your email records. One such update would be your birth date. Just the month and day please. Please let me know if your email is changing soon. All information is kept within the JNM and is **not sold or rented to anyone**. Should you have any questions, please email me.

## All WRAPPED UP

Thank you everyone for supporting Juice and being part of this huge JNFC family! I am very proud of how JNM has grown and moved forward with the technology of today.

2008 will be an exceptional year for the JNM! Why? Simply because of two reasons!!

1) I took over the fan club in 1998, so I will be facilitating this club for 10 years in 2008.

2) Secondly, the JNM will be 32 years old!!

I fondly remember Maxine Young who was the President of the JNM for 10 years in the 1980’s and early 1990’s and made the JNM what it is today. She set in place principles and a lead all clubs should follow and embrace.

Mrs. Young is now in God’s care but her spirit is alive and well within the JNM whenever an email is answered or a new posting is added to the JNM website.

Juice and Otha and I hope everyone has the warmest and happiest holiday season. Remember to visit [juiceneutronmusic.com](http://juiceneutronmusic.com) for up to date information on Juice.

Happy Holidays!!!

Paul, Juice and Otha
