Spring Newsletter 2019

Hi Everyone,

It's that time of year when the flowers are blossoming and the air is thick with floral aromas. I hope everyone had an enjoyable winter.

New Format Reminder

This is the first newsletter of 2019 and in the new format and will be released twice a year spring and winter.

Juice Merchandise

I am very close to obtaining some merchandise for a test market. If the items sell well, I will expand it. Thank you to those who have written in and asked about this. I will keep this updated on the JNFC website juicenewtonmusic.com. Stay tuned!!

Tour Update

Juice has informed me that she is extending her break from touring. She is enjoying staying home and being with her horses and her family and the wonderful things that San Diego has to offer. She loves her fans and feels blessed having your love and support.

Juice has not completed the new album, this project is still on hold.

I am hoping when Juice speaks to me about both the album and touring schedule again, I will have exciting news to share.

2019 "O" Award

The "O" Award is given to any person or group that makes their community better in any aspect.

The award is in honor of Otha Young. Otha was a huge part of Juice Newton's career until his death in 2009. Otha will always be remembered as a very positive person who saw the best in everyone.

The 2019 "O" Award goes to Jennipher Ray of Milton Massachusetts. Jennifer's drive and ambition are to be admired.

Jennipher said...

"This April will be the third time I've run the Boston Marathon as part of the Dana-Farber Marathon Challenge to raise money for cancer research at DanaFarber Cancer Institute. I run in memory and in honor of those who have been affected by cancer and I draw great strength and inspiration from each of them.

Last year I raised more than \$13K and have a similar goal this year. Recently, Jennipher wore Otha Young's name on her shirt as she participated in this event.

My other larger volunteer activity is that I am a writing tutor at Boston International Academy, a public school for immigrants. Super inspiring to work with such dedicated and hard-working kids."

Jennifer's passion is surely one of great depth. I have known Jennifer over 37 years and she has always helped people. Constantly thinking of the needs of others is what makes Jennifer Ray a perfect recipient of the 2019 "O" Award.

Congratulations Jennifer!!!

Hi Everyone, you may not be aware, one a current and one a former band member of Juice's have had major medical procedures performed. Please help if you can. Thank you very much.

Steve Cochran a very talented former band member has been diagnosed with pancreatic cancer. Steve has a GoFundMe page to help him with medical costs. Please use the link below to read the entire story and donate if you can.

Update from Steve's daughter **Danielle Henderson**:

"Steve had surgery Feb. 7th and the surgeons were able to remove all of the tumor. Taking most of his pancreas with it he is now fully diabetic. BUT ... He is now tumor free!. As of right now my dad is in recovery with high spirits and a great attitude. Making jokes as he always has done. I am very grateful for that." <https://www.gofundme.com/zd6wsy-it-takes-a-village>

Geremar's Poem to Juice;

A BIRTHDAY POEM

A simple wish came from my heart; I've
watched you grow up from the start.
Another year becomes your past; enjoy
this day and have a blast.

Make a wish that you can take; blow
out the candles on the cake.
With all my thoughts, I want to say,
"I wish you a Happy Birthday!"

By your fan,
Geremar Donato
